

Planning for English Learners' Success

Leveraging WIDA Assessment Data and English Language Development Standards Framework, 2020 Edition

Register online at <https://www.csraresa.net/>

Central Savannah RESA in collaboration with the Georgia Department of Education ESOL Language Program invites you to a dynamic professional learning workshop focused on teaching English learners (ELs). Are you interested in learning how to set intentional language goals for your EL students using Georgia's digital associations between language and content standards? Would you like to deepen your understanding of *WIDA ACCESS* data and how it can drive effective instruction? Join us for this engaging opportunity to enhance your skills in creating effective learning environments that foster success for your EL students!

Date: May 13, 2025

Time: 8:30 AM – 3:30 PM

Location: Columbia County School District Support Development Complex
4395 Riverwatch Pkwy
Evans, GA 30809
(For venue information, contact traci.wasden@ccboe.net)

Who Should Attend? K-12 ESOL and content teachers of ELs, school and district administrators, instructional coaches, MTSS coordinators

Learning Goals:

1. Analyze and interpret your students' *WIDA ACCESS* data and literacy data.
2. Identify language expectations within your content units or lessons.
3. Create standards-based language goals for the 2025-2026 school year.

Foundational Concepts and Work Sessions:

WIDA ACCESS Data Literacy
Connecting Content and Language for Instruction

What to Bring:

- Laptop
- Access to your school's digital *WIDA ACCESS* scores and Student Growth Percentiles along with access or provisioning to this data in SLDS, if available
- Access to your school's digital Georgia standards-based units or lessons for the grade-level you'll be teaching next year
- Your own lunch, or grab a bite from a nearby quick service restaurant

Georgia Department of Education
1562 Twin Towers East
205 Jesse Hill Jr. Dr. SE
Atlanta, GA 30334
